

## What you need to know before you book your Open Play Session:

Please read this carefully as our rules, rates and conditions of entry have changed, following strict Covid-19 Screening protocol.

We are required to commit to 50 patrons to the park for the time being. The staff at the front door will be keeping count and letting people on arrival know. The best way is to book your play in advance using our on-line booking system in our website or call over the phone. We can not guarantee that if you drop by without booking, we would have a spot available to let you in.

- Each open play session is 90 min in duration and all players and visitors will be asked to leave in a timely manner for proper cleaning and disinfection. All time slots are available to book on-line in our website.
- If you haven't booked your play time on-line but planning a visit, please call us over the phone before you come to ensure we have availability to accommodate you. Same refers and applies to everyone who has a valid pre-Covid membership or Play again pass.
- Prior arrival all visitors must follow our Covid-19 screening protocol, sign a Waiver and Covid-19 Disclaimer. To avoid waiting time we ask every one to sign it off on line before coming. Both, the Waiver and the Disclaimer forms are available for your review in our website.
- All visitors must follow the playground General Rules
- No outside food or drinks allowed! (Exception is only baby formula)
- Upon arrival, if possible, to leave any belongings in your car (purse, jacket, etc.) You may bring with you your phone, car keys, credit/debit card, diaper bag.
